Lamoille County Court.

The case of Charles L. Allen vs. Bennett Oakes, D. F. Maurice and Homer Woodward occupied the attention of court Wednesday, Thursday, Friday and Monday. No session was held Saturday, court adjourning from Friday night to Monday in order to give parties interested an opportunity to attend caucuses at Stowe and Morrisville. The case drew a large attendance, both of interested and disinterested parties; some 30 witnesses were examined. It seems that Allen, who lives in Waterville, is now a single man, but was once married, had in his employ Clayton Potter and wife. Because of trouble Potter left his wife, but she continued as housekeeper for Allen. July 16, 1900, a very dark night, so several witnesses told, Allen was taken from the house and treated to a liberal coat of tar and feathers, by a crowd of men, among them, so he says, being the defendants above named. It took Allen several days to get into presentable shape, and he quite naturally sought redress. It is said the attention of the grand jury was called to the case but they failed to find a bill, and so Allen sued Oakes, Maurice and Woodward for personal damages. The case went to the jury at five o'clock Monday afternoon and at six they brought in a verdict of not guilty.

Thursday morning case of State vs. Charles Merriam of Elmore, charged with adultery with Eliza Pilbin, a hired girl in his employ, was taken up. State's Attorney Cheney is assisted by M. P. Maurice; Merriam has for attorneys R. W. Hulburd and G. M. Powers. The jury are: D. Z. Luce, H. I. Markers, H. E. Fullington, A. J. Chaffee, H. W. Lang, Henry Hebb, Henry Coburn, Vernon Knowles, T. E. Potter, Edgar Pratt, Edson Westover, J. G. Lane. Deputy Smith has them in charge.

Indications are that court will have business enough to keep in session all of the week.
